

Memo

To: All MSP and BCF Visitors

From: Patricia Barnhart, Warden

Date: 6/4/2010

Re: **Appropriate Attire**

Appropriate attire for visitors has recently been discussed. Effective June 10, 2010, the following items will be considered inappropriate attire at MSP/BCF: Camouflage, leather, spandex or other tight-fitting clothing, midriff-bearing shirts and spaghetti strap tops. Skirts, dresses, shorts and skorts shall be no shorter than just above the knee in length.

Examples of inappropriate footwear include flip-flops and other open-toed footwear. These types of footwear create a serious security and safety issue. Open backed shoes are acceptable as long as a barrier (socks, nylons) are worn.

Children shall also be appropriately attired.

Consider where you are visiting.

Failure to follow this directive may result in the termination of your visit.

Thank you for your cooperation.
